Mr. Joseph Bonino, Commanding Officer
Records and Identification Division
Board of Police Commissioners
150 North Los Angeles Street
Los Angeles, CA 90012

Dear Mr. Bonino:

It is now seven months since I wrote the Los Angeles Police Commission with some basic questions concerning the Robert Kennedy assassination, pursuant to public assurances given on that matter by the Commission in the past. After writing twice again, I was informed by the secretary of the Commission, two and a half months ago, that the matter had been referred to your office, and that I would be hearing from you. I still have received no substantive response to the questions and have heard nothing from your office.

If there is further information which is needed for your efforts on this matter, please let me know. Otherwise, I would now appreciate receiving answers to my questions submitted to date or an indication as to when they will begin to be available.

Sincerely,

Gregory Stone
